

CarePortal 

Your  
*Success*  
CHEAT SHEET

# 1 Create CarePortal Account

Create a CarePortal account for your church so you can start viewing and responding to requests.

*It only takes 30 seconds to get started!*

# 2 Schedule Walkthrough

Schedule a crash course involving any key leaders at your church so you know how everything works! Let's Zoom or have coffee! Set up your 30 minute training by emailing Steve at:

*steve@beautifulredemption.com*

# 3 Get your CarePortal Debit Card

Order a debit card or two so your key leaders can answer requests with funds that have been provided by the community! Yes, you heard correct! Money is being donated for your church to serve vulnerable families! Crazy!

# 4 Build Your Team

- Set an official launch date
- Share the CarePortal Video from the stage if possible
- email campaign as a reminder to sign up
- Order sign up cards from us or make your own
- Check out our video and image **resources** by scanning the QR code. We have everything you need!

# 5 Cultivate Culture

- **Set goals:** How many requests could we reasonably handle per month?
- **Continue to recruit:** How do we recruit volunteers and build out our response team?
- **Celebrate together:** share stories / impact *"We replicate what we celebrate."*

# 6 Become a Beautiful Redemption Partner

Beautiful Redemption is the non profit responsible for bringing CarePortal to Colorado and makes CarePortal available to churches at no cost to them. We rely on the support from our individuals, churches and businesses to sustain the work we do.

**Please consider making Beautiful Redemption a regular financial ministry partner** as we seek to revolutionize the way we care for vulnerable families through the local church!
